

TALK TO VISITORS ANYTIME AND ANYWHERE

SOLO-NX CL is an audio GSM "Door phone to Phone" unit allowing you to control visitors by calling you to your mobile (GSM) and/or landline (PSTN) phones when visitors visit your home, office, holiday home or other premises so you can talk to them.

The **SOLO-NX CL** unit also allows you to remotely open doors, gates and other access control devices by pressing a key combination on your mobile phone or SMS remote control or with Caller ID recognition - free of charge. Into the device it is integrated also the **CodeLock keypad** - for direct access by entering **up to 1000 access entry codes**. Now available **up to 100 temporary access entry codes**.

SOLO-NX CL can be ordered in a housing for surface (standard) or flush mounting (on request), with 1 or 2 call buttons.

It is **ALL in ONE** and it is **very easy to install**.

All you need is to connect the power supply, insert the SIM card and at least one phone number which the unit dials.
